May/June 2010 Newsletter

Recital news: We are getting very close to our performance days now! Many costumes have already arrived, and many more are still on their way! We've been trying them on as they arrive, but costumes will not go home until May and recital fees are paid. Please do not let your dancer wear their costume until recital-time!

Recital T-Shirts: There's still plenty of time to order a recital cast t-shirt. The first order has been placed, and will be here very soon. One more order will be placed, and the final date to order a t-shirt will be Friday, May 21. At that time, no extras will be ordered. The t-shirt costs \$15.00. It features our theme, "Party!" on the front, and has all the dancers' names on the back. Please let us know by May 21 if you want one.

Finale: All dancers in Recital II are welcome to participate in our Finale. There's no extra fee; kids wear one of their costumes. We will have three all-studio finale rehearsals. Students must attend two out of the three in order to participate. Please understand that we cannot make exceptions to this rule! The finale rehearsals are:

Tuesday, May 25	5:00-6:00
Thursday, June 3	7:00-8:00
Saturday, June 5	10:30-11:30

Participation in the finale is not mandatory, so if you cannot commit to two out of the three rehearsals, please do not take part in it (maybe next year!). All finale rehearsals will be at our Corinth studio.

PICTURE WEEK HAS BEEN CHANGED!!!! Because of some late-arriving costumes, picture week has been moved to the week of June 1st, instead of May 17th. There will be a separate note coming out with more information and the exact schedule. All pictures will be taken at our Corinth studio beginning Tuesday, June 1, through Saturday, June 5. Most but not all pictures will be held during regular class times.

SUMMER DANCE CLASSES AND WORKSHOP NEWS:

One of our favorite guest teachers, **Tom Land**, is teaching a Rhythm Tap workshop. The dates and times for that have changed slightly, to take the July 5th holiday into account. The Rhythm Tap workshops will now begin on TUESDAY, July 6th through Friday, July 9. Instead of 10:00-12:00 (Advanced) and 1:00-3:00 (Intermediate) the times will be 10:00-12:30 (Advanced) and 1:00-3:30 (Intermediate). I hope this might mean a few more of you can attend!

Cathy Patterson is another favorite guest teacher who is returning to us this summer for a week of jazz. She'll be here the week of July 12. The Intermediate session will meet at 10:00-12:00, and the Advanced class will be at 1:00-3:00. Cathy will be teaching the competition students their part in the finale over the next several weeks. She will be here as a guest teacher on Tuesday, May 4, just to work on technique classes first. If anyone who is not a competition student would like to come to any of her classes on May 4, please let me know (Intermediate level and up). Cathy's classes are fun and a real work-out! Her positive spirit will encourage and energize you, so come and try, if you'd like! You must pre sign up, and there will be a small fee.

DEADLINE FOR SIGNING UP FOR SUMMER WORKSHOPS IS JUNE 15TH

ANY WORKSHOP WITH LESS THAN SIX PARTICIPANTS ON JUNE 15 WILL BE CANCELLED! We've already been getting some registrations for classes and workshops. Soon I will post the workshop sign-ups on the bulletin board so you can see how things are coming along. Remember, too, the referral bonus: if you bring a new student to a workshop, you receive \$25.00 off of your tuition for that same workshop. There's no limit on this offer. Again, we only need 6 students for a workshop to "go"!

Student of the Month

Audrey Muehlebach is finishing 8th grade at Cure' of Ars School, where she just gave a terrific performance as Belle in "Beauty and the Beast". Audrey has been a student at Dancerz for several years, and is currently a member of the Rubies competition class. She has always been a dedicated student, and was especially so this year. Audrey has been working very hard to improve all her dance skills, and has really seen great progress in ballet class. Deanna is so proud of her ballet progress, and Roxanne was amazed to see Audrey in ALL her dance classes on her birthday this year (five-and-a-half hours!). Even when she was in the middle of play rehearsal, Audrey rarely missed her dance classes. Audrey also is a member of the church choir at Cure' of Ars, and the school Honor Choir and the Advanced Hand Bell choir. She will attend St. Teresa's next fall, where she is looking forward to learning to play Lacrosse. As you can see from the pictures, sometimes dreams DO come true...helped along by a lot of hard work! Congratulations on a fabulous year, Audrey!

CONGRATULATIONS! Kelly, one of our jazz and lyrical teachers, had her baby!!! (Three weeks early!) Baby Madelyn Dacey Miles weighed in at 5 lbs. 15 oz. Everyone is doing well, and we wish them ALL the best in the hectic days to come!

New Teachers Catherine Murray and Amy Wooddell are taking over Kelly's classes for the rest of this session. Kelly will be back to teach on Tuesdays in the summer. Amy is teaching Lyrical and Jazz on Tuesdays. Amy has a Modern Dance degree from TCU. She has taught all ages and levels of jazz and modern for the last 8 years. Catherine Murray is currently an Education major at UMKC. Catherine was selected to be a Brigade Girl, and was very disappointed when the team folded! Catherine has been substituting for various teachers at Dancerz all year, and is very popular with our students. We are delighted to see her on a regular basis now!

How great it was to have Miss Catherine come back and teach a few days recently! She shared her joy, kindness and knowledge with us, and I look forward to having her back again. Here are just a couple of glimpses of what we were up to!
