

Welcome to Dancerz Unlimited!

We offer a well-rounded program with classes in tap, jazz, ballet, hip hop, lyrical, contemporary and tumbling, beginning through advanced levels, ages three and up. Emphasis is placed on technique and performance. Students perform in two shows a year: a fall showcase in November or December and a traditional recital in May or June. Guest teachers from the professional dance worlds of college, university, the stage and New York teach master classes occasionally throughout the year.
