

# Welcome to Dancerz Unlimited!

We offer a well-rounded program with classes in tap, jazz, ballet, hip hop, pointe and lyrical, beginning through advanced levels, ages three and up. Emphasis is placed on technique and performance. We teach a progressive syllabus and produce two shows a year: a holiday showcase in November or December and a traditional recital in June. Guest teachers from the professional dance worlds of college, university, the stage and New York teach master classes throughout the year.
